

STAY ALIVE: A Look at Bridger Bowl's New Backcountry Access

Submitted by Mark Staples on Mon, 12/01/2008 - 21:00

All skiers will be happy about two new developments in the Bridger Range. First, Bridger Bowl added 311 acres of expert terrain, the first expansion in 30 years. Second, backcountry access from the ski area will be a lot easier starting in December.
