## **Avalanche on Crown Butte**

Crown Butte Cooke City 2/17/2019 Code HS-R1-D2-G Latitude 45.05200 Longitude -109.95900 Notes

This avalanche on Crown Butte failed after multiple sleds had crossed the slope. From the email: "This one broke about 10 minutes after we'd been sledding below and across it. You can see our tracks going into it. Spooked us. The crown up top looked pretty deep, maybe 3 or 4 ft". Photo: S. Strenge
