

Snow Pit Profile

Bacon Rind

Southern Madison Range

Elevation (ft) **8700**

Aspect: **60**

Specifics: **We skied slope.**

Observer: **Eric Knoff**

Thu Nov 24 23:38:00 MST 2011

Co-ord: **W N**

Slope: **23**

Wind loading: **no**

Stability on similar slopes: **Good**

Air Temperature: **33 F**

Sky Cover: **sky < 2/8 covered**

Precipitation: **None**

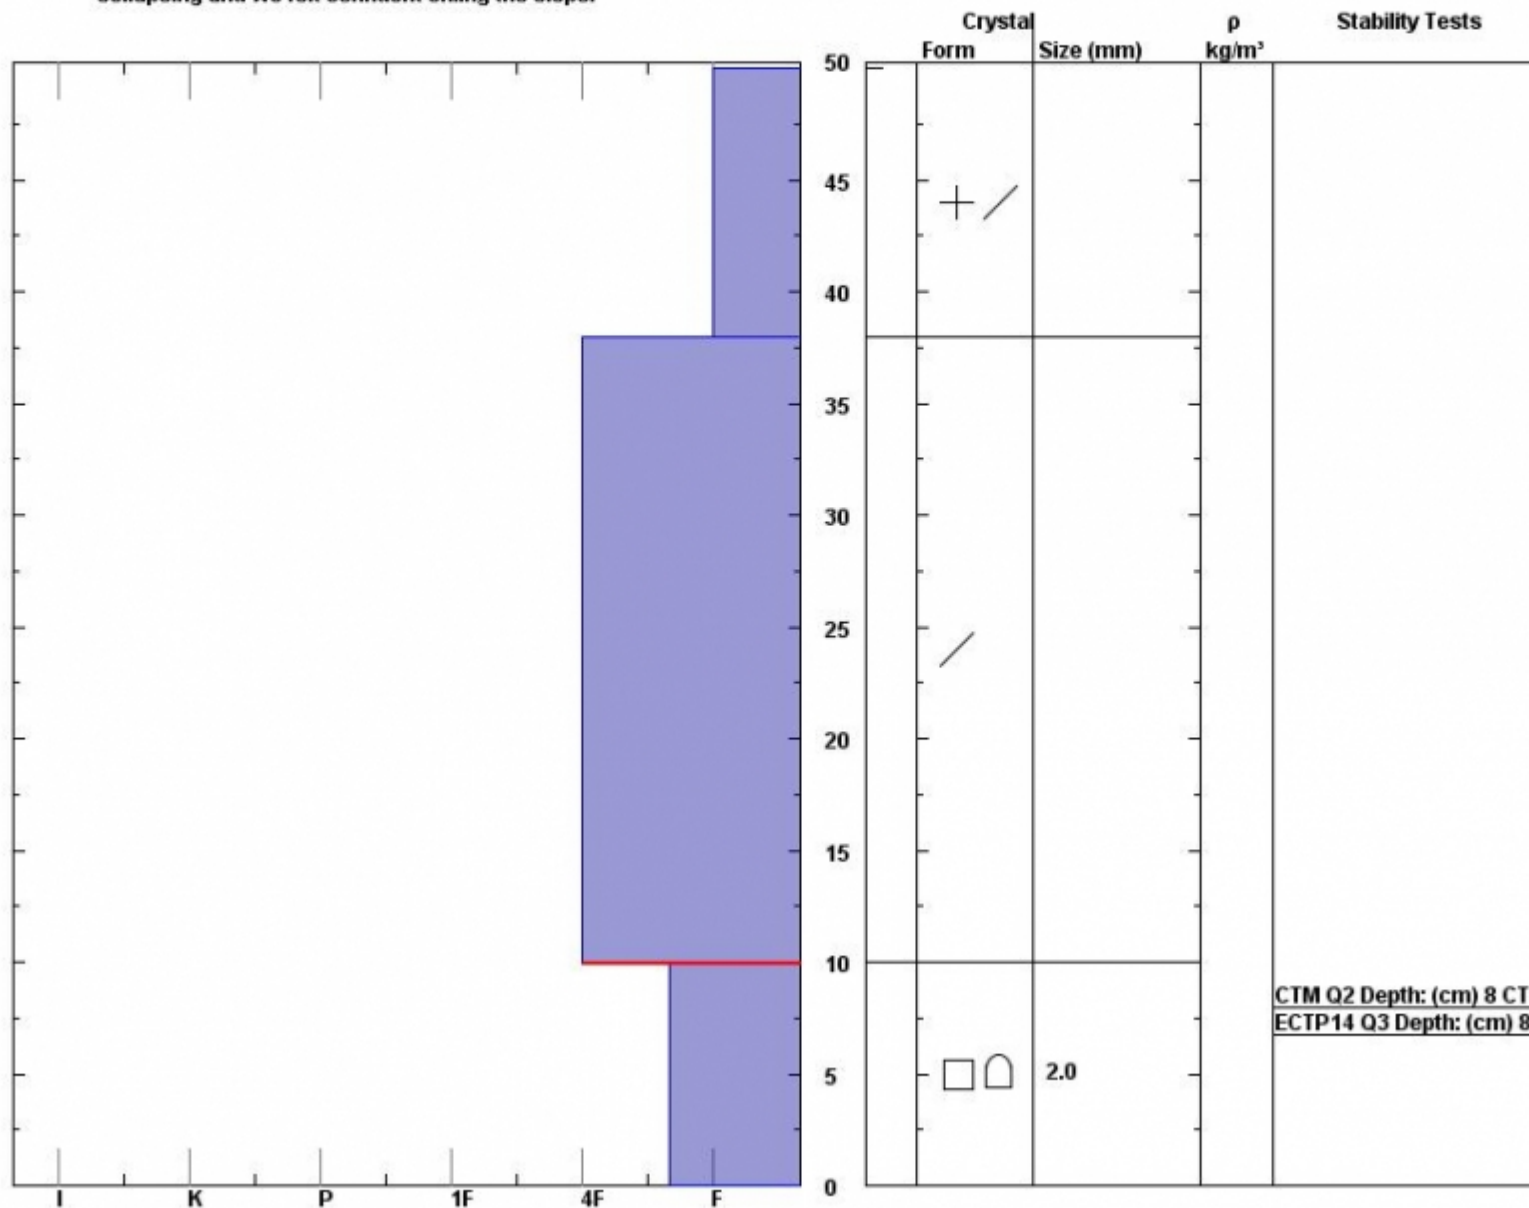

Wind: **W Moderate**

Stability Test Notes:

Layer n

0-10: Pr

Notes: **A shallow but strong snowpack. The facets near the ground were not as weak as they appear. We did not get any cracking or collapsing and we felt confident skiing the slope.**
